

PSNC Energy, A SCANA Company, A SCANA Company, is a regulated public utility engaged primarily in transporting, distributing and selling natural gas to approximately 540,000 customers throughout a 28-county service area in the north central, Piedmont and western areas of North Carolina. This Construction & Maintenance Department position is located in PSNC Energy's South Durham Operations Center. The Construction & Maintenance Department is responsible for the construction, maintenance, and operation of the Company's natural gas distribution system.

The Pipe Layer installs pipe in ditches, manually digs around utilities, and pressure tests steel and plastic lines. The Pipe Layer is also responsible for participating in repair of third party damage to natural gas lines and various types of gas leaks, completing pipe maintenance activities, safely driving a company vehicle, setting up common Department of Transportation approved work sites and flagging traffic, maintaining truck inventory, and installing test charts. Duties are performed while working outside in varying weather conditions, involve extensive walking and entering/exiting the Company vehicle, and require some heavy lifting up to 70 lbs.

The successful candidate will possess a High School diploma (from a high school accredited by an organization that is recognized by the Council for Higher Education Accreditation or one of the entities recognized by the U.S. Department of Education) or GED, a good mechanical aptitude including experience with common hand and power tools, the ability to use self-contained breathing apparatus equipment, a demonstrated knowledge of safety procedures, effective communication skills for customer interactions, and a willingness to work with others in a team environment. A valid driver's license and the ability to obtain a Commercial Driver's License within six months of employment are also required. Candidate will be expected to be available for natural gas emergency response after normal working hours, as needed. Basic computer skills are preferred. Applicants must reside within a 45 minute response time from the geographical center of the South Durham Area. Bilingual candidates are preferred.

Employees of SCANA Corporation enjoy a challenging environment and a wide range of competitive benefits. Benefits include paid holidays and vacation days; comprehensive medical and dental insurance coverage; group life insurance; credit union membership; and short-term/long-term disability coverage (or as described in the collective bargaining agreement for union employees).

Interested candidates should apply online at WWW.PSNCENERGY.COM under Careers from Friday, April 7, 2017 – Sunday, April 23, 2017.

SCANA and its subsidiaries are equal opportunity, affirmative action employers. Our jobs are open to all applicants regardless of race, color, sex, gender, sexual orientation, age, religion, national origin, marital status, pregnancy, disability, military status, or any other basis prohibited by federal, state, or local law.
