

Welcome to our classroom.

June 28 - July 3, 2019

Key Largo, FL

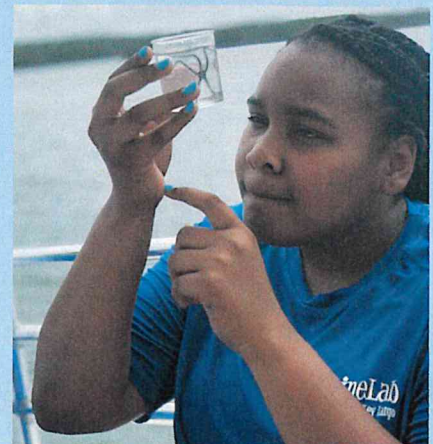

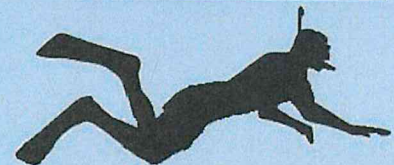

MarineLab is a FREE summer program for Deaf and Hard-of-Hearing students who will be entering grades 9 - 12 in fall 2019, and are residents of Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, Oklahoma, South Carolina, Tennessee, and Texas.

Some of the things you will do:

- Explore coral reef, mangrove, and seagrass communities
- Learn about various careers in marine biology
- Learn the importance of conservation
- Learn and enjoy snorkeling
- Be part of hands-on demonstrations in marine biology
- Make new friends
